## Randy's thought of the Quarter!

Our parents teach us so many great qualities as we grow up. I started out in this world with no path. I chose my path and while there were obstacles, at 54, I've developed my character and good morals to make it to where I am now. The moral of this story is, see the good in others, be honest and believe in yourself.

**That's funny!**

*how's the diet going?*

*not good. i had eggs  
for breakfast.*

*scrambled?*

*Cadbury.*
